Class 1 - Learner driver license

About me

I am a dedicated worker in the construction industry with diverse experience across various roles. Currently, I utilise my skills as a night shift worker at Elite Polymers, where I ensure the quality and timely dispatch of products in a bottle manufacturing facility. My background as a painter and water proofer at Cantec has equipped me with expertise in waterproofing large industrial buildings and delivering high-quality finishes for residential and commercial properties. Additionally, my experience in forestry at Intawood involved planting and nurturing trees, while my role at New World as a deli assistant honed my food preparation skills and customer service abilities. I am committed to maintaining high standards in all my work.

Experience

Night shift worker

Jul 2019 - Jan 2020

Elite polymers

Hamilton

In my previous role at a bottle manufacturing facility, I was responsible for stacking bottles, conducting quality checks on the products, and ensuring timely dispatch to our customers.

Painter/water proofer

Jan 2020 - Apr 2021

Cantec

Hamilton

I specialised in waterproofing large industrial buildings, ensuring the integrity of both walls and roofs. Additionally, I provided painting services for various residential and commercial properties, delivering high-quality finishes tailored to client needs.

Forestry man

Nov 2021 - May 2022

Intawood

Hamilton

In my previous role, I was responsible for planting trees, applying herbicide to manage grass growth around the saplings, and pruning trees to promote healthy development.

Deli assistance

Aug 2023 - Current

New world

Hamilton

I worked at the supermarket deli, where my responsibilities included preparing and serving a variety of deli products. This role involved ensuring high standards of food safety and hygiene, as well as providing excellent customer service. I gained valuable experience in food preparation and developed strong communication skills while interacting with customers and team members.
