Enthusiastic and reliable university student returning home to Raglan for the summer holidays seeking part-time employment. I am currently studying a Bachelor of Psychological Science at the University of Canterbury in Christchurch. I have experience across a range of jobs giving me strong customer service, communication, teamwork, and time-management skills. I am hardworking, adaptable, and take pride in completing tasks to a high standard.

Experience

Fresh Choice Prebleton - 2026 - Supermarket assistant

- My current job while studying, where I work the uber station, pack orders, stack and face aisles, and help customers around the store.
- This job has taught me to be proactive and develop strong skills in attention to detail.

Good George - 2024 and 2025 summer - food runner + waitress

- Good George was a job where I developed experience in customer service through running food and drinks to tables, waitressing, and running the pass.
- I learnt key skills for keeping a busy business organized and one step ahead in the face of rush hours.
- I developed confidence communicating with customers and working under pressure.

Airbnb Cleaner - 2020-now

- I have helped maintain accommodation units by cleaning and preparing them for the guests.
- I have gained skills in performing a job with a high standard for customer satisfaction, while also being fast and efficient with getting the job done.

Babysitter - 2023-2024

- I was responsible for looking after 2-3 young children ranging from ages 3-9 for a period of time.
- I learnt to be organised in preparing meals and getting children ready for going to Kindy and school, helping me develop excellent time management skills. .
